Application for Transportation to Non-Public School

Generally, April 1st is the deadline for filing a written request for the upcoming school year.

- Chapter 453 (education law 3635) requires transportation to all parochial schools within the established mileage limitations (.9 to 15 miles).
- Chapter 719 requires an application to be filed within thirty days after establishing residence in the district. Chapter 719 does, however, provide that a late request will not be denied if a reasonable explanation is given for the delay.
